Hazardous Substances and Preparations

The materials used in this product are RoHS compliant. This product contains the following items that may require special handling:

PCB

Packaging

The packaging materials used for this product do not contain any of the banned materials listed in the EU packaging directive.

The printed user documentation included with this product is produced on paper with 50% or more recycled content that has not been bleached with chlorine.

Information on the assessment of the packaging scheme for this or other Zebra products can be found at: http://www.zebra.com/environment.

Recycling Information Zebra Technologies offers product recycling programs in certain geographic areas. To determine if a program is available for this product in your area, please refer to our web site at: http://www.zebra.com/environment.

This product is designed with the following features to enhance recycling:

- Glues and adhesives have been eliminated from product construction where feasible.
- Use of common fasteners and/or snap-in features
- Plastic parts weighing more than 25g are marked according to ISO 11469 standards except where impractical.
